

Strengthening Your Grip (Bible Study Guide)

Each decade bears a distinct characteristic. The eighties could be called the period of aimlessness. The volatile riots of the sixties and the disillusionment of the seventies produced a generation, including many Christians, that seems to have lost its way. To get back on track, we need renewed strength to dig beneath the debris of tired cliches and focus once again on certain biblical essentials. This study offers changeless, fixed points for Christians to claim-essentials in an aimless world.
