

Welcome to Angel Island. Its captivating spirit can be felt from the shores of its windswept beaches to the heights of the spectacular Angel Wings Cliffs. The island is said to harbor angels who help guide the lost, delivering them from despair and darkness into the golden light of love and faith. The inn is officially open for business, and owner Liza Martin has booked her first major event—a June wedding—even though renovations have not yet been completed. The good news is that this brings more of Daniel Merritt, the island's attractive handyman, into her life. But as Liza finds herself falling for him, she learns that Daniel is a man with secrets. Liza doesn't have much time to dwell on Daniel's secrets with all the wedding preparations. The bride met her fiancé on the island when they were teenagers, and she's always dreamed of being married at the inn. Liza wants to make the event perfect, but the tension between the bride and groom makes her worry. On the day of the wedding a storm rolls in—and the groom is nowhere to be found. Everything is going wrong. Liza needs a miracle. Then again, if you have faith and love, Angel Island is just the sort of place where miracles can happen...
