

Breaking Free: A Novel

Bestselling author Lauraine Snelling crafts a poignant story of hope and restoration for a newly paroled mother rebuilding her life after the loss of her son. Maggie Roberts is starting over again after her reckless driving led to a 10-year prison sentence and the devastating loss of her son. Having learned to repurpose retired thoroughbred racehorses through an inmate training program, Maggie finds a way to rebuild her life. But it's not until she meets single father Gil Winters and his wheelchair-bound son, Edward, that she finds her calling. In helping Edward with his therapy using horses, Maggie finds herself coming to life again. But when a shadow from the past returns, Maggie is forced to choose between her newfound freedom and getting Edward the life-saving help he needs.
