

Moll Flanders (Vintage Classics)

The original salacious story of a bad girl who makes good. These are the fortunes and misfortunes of Moll Flanders: born in Newgate Prison, twelve years a prostitute, five times a wife (once to her own brother), twelve years a thief, and eight years a transported felon in Her Majesty's colony of Virginia. Daniel Defoe's rollicking tale presents life in the prisons, alleyways, and underworlds of 18th-century London, and gives us Moll: scandalous, unscrupulous and utterly irresistible.
