

Web of Evil: A Novel of Suspense

The highway from Los Angeles to the Palm Springs desert is parched, unforgiving, and deadly. In the suffocating stillness of a car trunk, a man, his mouth and hands bound with duct tape, awaits his fate. What possible enemy could be bitter enough to commit such a heinous crime? And when will the monster make another move? Ali Reynolds is traveling that same blistering, lonesome highway, looking forward to putting her past behind her. But her cheating husband is in a hurry for a divorce, and the television network that wrongfully dismissed her for the sole sin of being over 40 will face her in court as well. As she passes the site of a horrifying accident, Ali is grateful that it's no longer her job to report the news, until she finds out that the news is her own: the victim is Ali's cheating husband. And soon she'll find herself the prime suspect at the center of a terrifying web of evil. A twisted and lethal drama of heart-pounding suspense, *Web of Evil* asks the question: If hell hath no fury like a woman scorned, just what punishment could that fury unleash?
