

Slightly Spellbound (A Southern Witch Book 4)

With two kinds of magick at odds inside her and two gorgeous men vying for her attention, Tammy Jo Trask is used to being pulled in opposite directions. But in the latest Southern Witch novel she'll have to make some serious decisions like how she intends to stay alive. Tammy Jo's romance with the wizard Bryn Lyons is on hold while her ex-husband is in town trying to remind her of the good old days. Choosing between them isn't easy, and it doesn't help that a skeletal creature is spying on her, a faery knight is hunting her, and she just made friends with Evangeline Rhodes, a rich witch who thinks her own family is trying to kill her. When Evangeline disappears under suspicious circumstances, Tammy Jo is determined to find out what happened. As she uncovers a secret more dangerous and personal than she could have imagined, she also discovers that, in both love and magic, you can't stay neutral forever.

The first novel is tentatively titled, *NEARLY MISSING*, and will be released in summer. The tone will be reminiscent of the Southern Witch series, but there won't be. *Slightly Spellbound* has 960 ratings and 103 reviews.
