While out kayaking, Paul Osborne discovers the grisly remains of a woman - whose shoulders bear mysterious bite marks. And just as Lew begins her investigation, another body turns up ... The second victim was a successful businesswoman from Kansas City, and the evidence indicates she was in Loon Lake for a rendezvous with an ex-lover - a con man who had tried to get his hands on her money. Now, Lews got two confusing cases - and a killer who may be more elusive than any fish ...
