

## Electric Literature No. 5

Our fifth anthology takes you on a journey from the suburbs to the underworld. In Kevin Brockmeiers tale, *A Fable for the Living*, notes are passed between the living and the dead through a fissure in the earth. J. Robert Lennons *Hibachi* unleashes the unexpected cathartic power of a hibachi grill on a paralyzed marriage. In Carson Mells *The West*, a father and son join the insatiable Mackenzie Horselover on a quest for the perfect hamburger. Ben Greenman rekindles old rivalries in *Come Out*, a story of friendships, love triangles, and repurposed bathtubs. And in Lynne Tillmans *The Original Impulse*, a woman cycles through memory, encountering an old lover with every pass.
