

Pomp and Circumstance

First published in 1960, *Pomp and Circumstance*, Coward's only novel, was greeted with wide critical acclaim. A South Sea Bubble of a book it is, with a Royal Visit expected on the Island of Samolo, and the narrator, a mother of three, dealing with everything from chicken-pox to the amours of a visiting Duchess (*Daily Telegraph*); If there is anywhere on earth where the old Coward world still credibly lingers on, it is probably a fairly peaceful tropical colony ruled over by a British Governor General ... Coward's long cast list might have walked out of one of his better comedies (*Evening Standard*); It is all good, near-clean fun, magnificently readable (*Sunday Times*).

Misc. Notes, Recorded September 2016 in St. Pauls Hall, Huddersfield University (Peter Hill, sound engineer).
