

Guide to Mauritius: The Mascarene Isles

For both tourist and business use, this is a complete guide to the Mascarene Isles - Mauritius, Rodrigues and Reunion - with an expanded natural history section covering all the islands nature reserves. It includes advice on the structure of business on the island as well as the sun, sea and sand for which Mauritius is renowned, with the very best of accommodation, food and watersports. The Mascarenes, about 500 miles apart off the east coast of Madagascar, have become a mecca for honeymooners and those attempting to get away from it all.
