

# Paradise Island

A couple won a small island in a contest and they wanted to turn it into a small getaway. But, it turns out that this little Island turns into what they never could have predicted. Two other couples join them to help turn this island into an attraction that everybody can enjoy. There is surfing and other water sports at the beach and you can relax all day on the beach or in the warm pool. There is a sauna with a hot spring and a small pond nearby for when the hot spring gets too hot. They find that there is more to this little island than they thought. They use everything that the island has to offer. They build tree houses by a big beach and tents by the cove to turn this small island into a big getaway. There are strange things happening on the island that frighten some and excite others. These strange things turn out to be something amazing and there are many things that make this island a paradise.
