

No secret will keep for ever ... A Vatican priest is found murdered on the shores of Denmark & nailed to a cross in the shadow of Hamlets castle. He is the first victim in a vicious killing spree that spans the world. Each horrific murder exactly mirrors the crucifixion of Christ; Meanwhile, deep in the Roman Catacombs of Orvieto, an archaeologist uncovers an ancient scroll dating back two thousand years. The scroll, he knows, holds the key to a dark and treacherous secret that will rock the very foundations of the Church. But only if he can decipher its lost meanings; and only if he can live long enough to reveal them ... The enemies of the truth know no law of man ?
