

Sinister Entity

How can you escape the ghost of yourself? The Leigh family is terrified. They've been haunted by the ghostly image of their young daughter, Selena. But how can that be, when Selena is alive and well, and as frightened as her parents? With no where else to turn, the Leighs place their hopes in Jessica Backman, who has dedicated her life to investigating paranormal activity. Accompanied by a new partner who claims to be able to speak to the dead, Jessica will soon encounter an entity that scares even her. And a terror far worse than she imagined.
