

The Aurora Teagarden Mysteries: Volume One (An Aurora Teagarden Mystery)

NOW IN ONE VOLUME THE FIRST TWO AURORA TEAGARDEN MYSTERIES! The acclaimed author of the phenomenal Sookie Stackhouse novels, Charlaine Harris introduces a Southern librarian whose bookish bent for murder gets her involved in real-life mysteries. Real Murders Georgia librarian Aurora Roe Teagarden belongs to a club called Real Murders, which meets once a month to analyze famous cases. But after she finds a member dead, killed in a manner that eerily resembles the crime the club was about to discuss, Roe has to uncover the person behind a terrifying game, one that casts all the members of Real Murders, herself included, as prime suspects or potential victims. A Bone to Pick When a deceased acquaintance names Roe as heir to a substantial estate, which includes money, jewelry and a house complete with a skull hidden in a window seat, Roe concludes that the elderly woman has purposely left her a murder to solve. She must identify the victim and figure out which one of Jane's ordinary-seeming neighbors is a murderer without putting herself in deadly danger.
