

THE CAJUN CAVEMAN: The best Cajun cookbook for the Paleo diet.

As an Imaginary Chef, Lex Montgomery is known for pushing the boundaries of cooking, and fusing cuisines from all over the world. As a result of various hospitalizations as a teenager, Lex developed a unique diet to live by. The Imaginary Chef Diet fuses aspects of the paleo diet, 4-Hour Body diet, vegetarian-ism, & vegan-ism in flavor-filled recipe fusions from around the world. Lex has gone a step further and created dairy-free, grain-free, gluten-free, & refined sugar-free cookbook full of substitutions for over 50 traditional Cajun & Creole recipes. This is first time weve seen such bold flavor in dietary, all-natural cooking. In this book, youll find paleo-friendly versions of popular recipes from The Imaginary Chef blog (www.TheImaginaryChef.com) and recommended in The Imaginary Chef Diet.

The goal of this cookbook is to offer recipes that promote the prevention of obesity, high cholesterol, high blood-pressure, auto-immune deficiencies, & various cancers. These recipes are diabetic-friendly, aid in digestion, & enhance nutrient absorption. The Cajun Caveman will teach you how to cook real soul food - food that nourishes the mind, body, & soul!
