

In this gripping tale of murder, madness, and demonic possession, the son of a radical Calvinist minister takes off on a crime spree in eighteenth-century Scotland. Robert Wringham attributes his misdeeds to the influence of a sinister companion, Gil-Martin — but it remains to be seen whether Gil-Martin really exists. Published anonymously in 1824, this ahead-of-its-time novel offers a haunting exploration of religious fanaticism and the power of evil. Scottish poet and novelist James Hogg (1770–1835) overcame his lowly birth and lack of education to become one of the most admired writers of his day. His writings fell into obscurity after his death until their rediscovery in the 1940s by Andre Gide and other critics. The Private Memoirs and Confessions of a Justified Sinner is Hogg's best-known and most highly acclaimed work.

Indian Days of the Long Ago - Primary Source Edition, Thumbprints, Bolivia Country Study Guide (World Country Study Guide, Curialia Miscellanea; Or, Anecdotes of Old Times: Regal, Noble, Gentilial, and Miscellaneous: Including Authentic Anecdotes of the Royal Household, ... at an Early Period of the English History, Descriptive Travels In The Southern And Eastern Parts Of Spain And The Balearic Isles, In The Year 1809 (1811), The Honey Drum: Seven Tales from Arab Lands,
