

Im Special (Your Feelings)

Written for young children, this book focuses on three common types of disability and shows with sensitivity and gentle humour the day to day experiences of disabled children. It is one of a series, intended to help children deal with emotions they experience in their everyday lives; and contains notes for parents and teachers, with suggestions of ways to promote an understanding of disability, through discussion and role play.

1. When someone gets their feelings hurt due to the words or actions of another.
